Sherry Serafini will be here soon teaching glorious bead embroidery jewelry that is totally doable. I promise! You can do this and the techniques you will learn translate to needlepoint! The pieces aren’t too big and aren’t too small. They are totally wearable on an everyday basis. There’s another plus.

Sherry is not only an amazing artist and one of the icons of the bead world but she is just the nicest person. We can’t wait to introduce you to her.

**Friday September 21, 11-5 pm**

**Celebration Necklace**

Join us and make a beautiful bead embroidered pendant utilizing a wooden ring armature, Czech button, Tierracast drops, cup chain, cabochons and seed beads. Necklace hangs from chain and closes with a lobster claw clasp.

**Crazy Quilt Cuff**

Bead embroider a fabulous, funky and fun cuff using buttons, leather, cup chain and various embellishments. This class is a design oriented class while exploring mixed media. My favorite thing about this cuff is that you can size it to fit, narrow or wide this is your creation.

Bead embroider an elegant necklace that utilizes Annabronze© bead caps, Swarovski elements, wooden ring and more. Embroidery, peyote stitch and edging are the stitches explored.

Well, I still didn’t hit the first of the month for the newsletter but I think you will forgive me.

This year is flying by and we are so excited about what is coming next. Julie Haymaker was here last weekend with her Shrinkets. Love them! I see them in our future for needlepoint embellishment, but until then we just played.

We will be starting a new mystery class Sunday. I hope you will join us. It’s lots of color and super silly. You know I like silly.

September starts with one of my embellishment classes. That means lots of new stitchguides for those of you who can’t attend. Wait until you see which canvases have been selected. So fun.

October is going to be quite the month at the Beehive of Bedecked and Beadazzled. We have so many fun things planned you are going to want to move in! How could you not?

I’ve included a list below of upcoming dates so you can plan your Fall. Full details will be coming.

See you soon.

Fleur is a cute little hamster wearing a tiara. OK, that’s crazy right? Look at how beautifully it is painted. That was the challenge with this canvas; how to bring this little girl to life with threads, stitches and pearls and not lose the beauty of the painting.

We started with needlepainting her little face with a few well placed sections of basketweave and T Stitch. Her body is a nice open stitch to allow all the shading to show through. The background and the floor are fun new stitches selected for coverage and fun. Of course the final step was beading her tiara! Love that tiara. All of this in two short lessons! If you would like to stitch your own hamster and learn how we did it, kits are available.

**How do Mystery Classes Work?**

What exactly is a mystery class? A mystery class is just like a mystery in a book; it unfolds in chapters. With each chapter more of the mystery (how are we going to stitch this canvas) is revealed?

We meet pretty much every other Sunday afternoon and review the twists, turns and fun of the current lesson. Class is from 1 to 3 pm. Can’t join us in person? No problem, we will ship to you. The instructions have full color photos of the canvas stitched to date along with complete instructions and diagrams.

I also post lots of pictures on my blog NotYourGrandmothersNeedlepoint.com after class.

**Can I Order a Mystery Class that is Complete?**

Certainly, we are happy to kit any of our past Mysteries or Mysteries with a Twist. Canvas, complete stitch guide with all the threads, beads, crystals and gizmos can be packed and shipped to your home or office anytime you want.
WHAT’S THE NEXT MYSTERY?

BIRD ON A ROCK

BY ZECCA

How crazy is this bird? You know I love all things zecca and this canvas is no exception. It’s a bird on rock. Oh wait, the bird is wearing a mask. Is he dressed for Halloween? Is he hiding from something? Maybe that’s part of the mystery. Stitch him as holiday decor or throw caution to the wind and allow him to be your spirit animal guarding you at all times.

The canvas is handpainted on 18ct pewter mono; the design area measures 11” x 20”. The cost of the class is the price of the canvas ($230) plus the stitchguide for each lesson ($20 each) and the necessary threads etc. Classes will be Sundays August 19, September 2 and 16 at the Beehive if you would like to join us in person!

You can sign up on line by going to Classes and then Mystery Classes or simply give us a call at 410.296.0405.

JOIN US FOR A MYSTERY WITH A TWIST

WHAT’S THE TWIST?...

Looking for something with a slower pace? These work just like the regular Mystery Classes except you don’t really know when the next lesson is coming. I fit these in between the regular mysteries. The lessons are about 6 months apart. You have time to stitch the lesson, but still work on your other projects. There are no in-person lessons. Everyone is an out-patient for this class.
