APOLLINARIYA KOPROVNIK!

October 25-28

I’m so excited about this! Apollinariya is coming all the way from Slovenia to teach for us. How crazy cool is that? She calls her style Beaded Architecture which is the perfect description as it is dimensional!

We are hosting two two-day classes. With this format we will get far enough through the project that we’ll know what we are doing when she goes home.

Thursday and Friday October 25-26, 11-5 pm Snowflakes

These beautiful snowflakes are completely beadwoven with gorgeous Swarovski crystals and beads. Wear as a necklace or pin or hang on the Christmas tree. Super sparkly. Two color choices are available.

Saturday and Sunday October 27-28, 11-5 pm Mirrors

This pendant is amazing. It is partly bead weaving and partly bead embroidery. The cabochons are labradorite. There’s even chenille and sequins mixed in. Fashionable and wearable for fall. Again there are two color choices available; bronze and silver.

Full details are on the website! Click on classes with Visiting Beadwork Teachers for details. You won’t want to miss this one! Give us a call at 410.296.0405 to sign up.
Every year we have a wonderful Thanksgiving weekend event. It’s a great way to spend time with friends and celebrate!

Join us for three fun days of stitching and fun. I will have a complete stitch guide ready for you and we will spend our time stitching and watching the canvas come to life. Design size is 9 x 16 handpainted on 18ct. I see lots of beads and fun stitches on this one.

So, I’m late again with the newsletter. Sigh. Let’s going on in my head. So, we have a new plan! This edition will span both September and October. That gives me plenty of time to write November. Right?

We had a fabulous embellishment class at the beginning of the month with great canvases! Thank you everyone who joined me. It was so much fun. We laughed and stitched and magic was created. I’ve highlighted some of the canvases from class on the stitchguide page!

Sherry Serafini will be here this weekend for 3 days of bead embroidery.

We start October with Zecca Retreat. I love this event. Karen from zecca is an amazing person and such a fun artist. She designs the canvas and I write the stitch guide and teach. We spend three days stitching the project! Woo Hoo! This year’s retreat canvas is Octopus in Her Garden. Class is full but we can send a kit.

At the end of the month we have two classes with Apollinariya Koprivnik! I am in awe of her talent and so honored she is coming from Slovenia to teach for us. She calls her style of bead weaving and bead embroidery Beaded Architecture. It’s super cool.

Check out our Thanksgiving Class. That is another fun tradition and this year we are going to stitch Melissa Shirley’s canvas Santa’s Books! Class is three days starting on Back Friday! You know you want to join us.

Mystery Classes are moving along. We just shipped a lesson of the Row of Ladies so that means Santa Fe Felines is next in the queue. Don’t start watching your mailboxes yet. I’ll let you know when it’s ready.

We have a new club or two coming soon so stay tuned. There’s fun to be had!

See you soon.

Mystery Classes

Tall Bird on a Rock by Zecca

Tall Bird on a Rock is silly crazy fun. It’s just pure happiness. In the first lesson we stitched the background in a fun new stitch with big impact using Gloriana silk.

The big fluffy flower pods feature River Silks 4mm ribbon and have you seen the video I did of how to make the leaf? Love those leaves!

The stitches on the background and his body harmonize thanks to repeating shapes. The beauty of Zecca canvases is that they are pure fantasy. We can experiment with different stitches and threads with no fear of it not looking right. Fun stitches abound!

Lesson three will be soon. So fun!

Want to join the party?
It’s never too late!. We have canvases in stock and can send you lessons one and two together! Give us a call or signup online!

Can I order a Mystery Class that is complete?
Certainly, we are happy to kit any of our past Mysteries or Mysteries with a Twist. Canvas, complete stitch guide with all the threads, beads, crystals and gizmos can be packed and shipped to your home or office anytime you want.

How do mystery classes work?

What exactly is a mystery class? A mystery class is just like a mystery in a book; it unfolds in chapters. With each chapter more of the mystery (how are we going to stitch this canvas) is revealed?

We meet pretty much every other Sunday afternoon and review the twists, turns and fun of the current lesson. Class is from 1 to 3 pm. Can’t join us in person? No problem, we will ship to you. The instructions have full color photos of the canvas stitched to date along with complete instructions and diagrams.

I also post lots of pictures on my blog NotYourGrandmothersNeedlepoint.com after class.

WHAT'S THE TWIST?...

Looking for something with a slower pace? These work just like the regular Mystery Classes except you don’t really know when the next lesson is coming. I fit these in between the regular mysteries. The lessons are about 6 months apart. You have time to stitch the lesson, but still work on your other projects. There are no in-person lessons. Everyone is an out-patient for this class.

I love this pattern for a background. It stitches quickly and you can easily change it up.

Consider smaller stitches throughout, or do something really different and reverse the slant of your stitches to create stripes! The stripes can be the same across the area in a systematic manner or consider dividing the background into two large sections with one section slanting right and the other section slanting left.
